# TOUCH UP JARS

powered by Preval

## 6 PLASTIC SOLVENT-PROOF RESERVOIR JARS

that come with polypropylene safety caps, short dip tubes and product labels. Shipping container contains 24 6-packs. Designed specifically for the Preval Sprayer and the vFan Portable Airbrush System. Each Preval Sprayer will spray up to 6 jars. Fluid capacity of each jar is 2.95 ounces. Reusable, recyclable and great for storing most liquids or paints. 6-packs are geometrically structured to stand on their own, but header card also allows for hanging package on pegs.

## TOUCH UP JARS

are in compliance with recent National Emission Standards for Hazardous Air Pollutants (NESHAPs) (EPA Rule 40 CFR Part 63-Subpart 6H).
